

Share the Plate

Neighborhood's Share the Plate program contributes to not-for-profit 501(c)3 organizations in the greater Pasadena community that advance the church's social justice mission. Our thematic priorities for support are:

- Arts Advocacy
- Disability Rights
- Environmental Advocacy & Justice
- Food Insecurity
- Healthcare for Marginalized Persons
- Homelessness and Equitable Housing
- Immigration Support and Advocacy
- Incarceration Reform
- LGBTQI+ Rights
- Racial Equity and Reparations
- Schools and Education
- Vulnerable Children and Youth

Organizations selected for support are featured over two Sundays during Neighborhood Church worship services. A representative of the organization describes the work of the organization as an invitation to giving, after which attendees contribute through "passing the plate" and on-line donations. 100% of Share the Plate contributions are donated from Neighborhood to the recipient organization.
